In this Lab, we will design a Restaurant Menu that is made of 4 pages. The home page, and a page for each category of food: Pizza, Burgers, Salad. You will use google fonts while styling your page. In addition, use the RGB coloring as much as you can. Make sure that all the buttons and links work successfully. Enjoy this Lab 😊 !

1- <u>This is the Home page</u>

 Some hints:

The background image of the body is attached

Use google fonts for the font used (here the font family is 'Roboto Serif')

Try your best to make the decorations as the picture above

The colors user:

rgb(45, 154, 190);

rgb(45, 100, 100)

rgb(45, 154, 190)

rgb(94, 255, 255)

#C2E9E9

#E8FBFB;

2- <u>Food Pages</u>
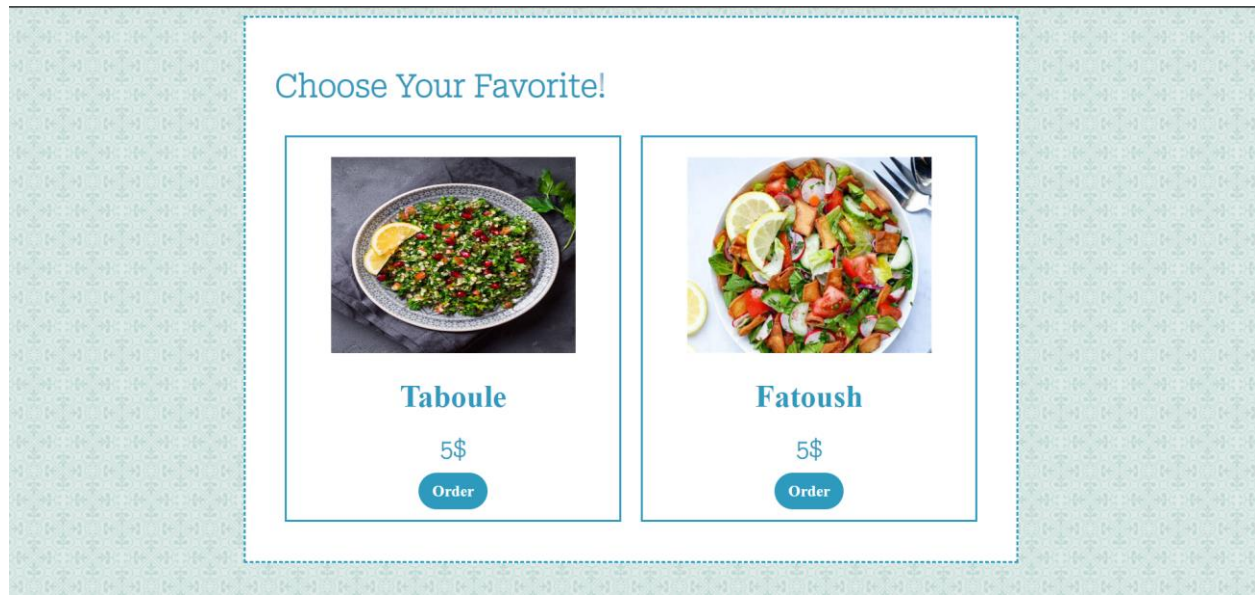

Hints:

Change the font family of the title and price only

The order button should return you to the home page

Color: rgb(45, 154, 190)

The borders should be the same as the above pictures

Good Luck!
